Dear Ray:-

I was pleased to receive your letter of October 22nd, also the maps enclosed. A copy of these maps is being forwarded to Colombia, but I have told them not to start any work in this part of El Prado until I return to Colombia. My plans are to get to Colombia before Christmas. It is not likely that I will take my Southern automobile trip.

The plan looks to me more favorable than ever. As you said, this map is a general basis and when on the ground with the ideas of the others I might make some minor changes.

Your work is well worth your fee and probably considerable more. Enclosed herewith please find check.

Very truly yours,
